REPORT OF TRUSTEES OF TRUST FUNDS For the Year of 1968

In the Pine Grove Cemetery, we finished the fence along the sides and rear except for some of the wiring. It was necessary to remove a host of tree stumps and a lot of grading had to be done, also fertilizing and seeding.

During the year we sold eleven cemetery plots - six in Pine Grove Cemetery, four in Greenwood Cemetery and one in Kingston Plains Cemetery.

We purchased a riding lawn mower from Sears Roebuck & Co. and find it a great help, especially in the roadway and open spaces.

In our report we do not include the \$1500.00 which the Town voted for cemetery expense because of the fact the Town pays out for us the first \$1500.00 of the payrolls, and then we reimburse the Town for the balance due them over and above the \$1500.00.

REPORT OF THE LIBRARIAN FOR 1968

The seventieth year in the history of Nichols Memorial Library was a busy one with a very substantial increase in circulation both in adult and juvenile books.

A total of 1443 books were borrowed from the Bookmobile to supplement our collection and 149 were borrowed by special request from the State Library.

For the third consecutive year a grant of \$100.00 was received from the State of New Hampshire for the purchase of basic reference books.

Library hours were increased this year making the present hours from 2 to 8 P.M. on Monday and Wednesday, 2 to 5 P.M. on Friday and 3 to 8 P.M. on Saturday.

Income from Pine Tree Grange was used to purchase: Hubbard - "An Old New England Village" and Kettel - "Pine Furniture of Early New England."

The Friends of the Library sponsored a very interesting program during National Library Week on "Primitive Antiques" with Ronald Bourgeault of Hampton as the speaker. An exhibit of colonial antiques was on display during the week. They sponsored movies for the children and two very successful "Book Fairs."

Two classes from Bakie School, accompanied by their teachers, visited the library weekly during the year, to borrow books.

We are indebted to Carl Stevens for displaying the flag and to the Kingston Garden Club for filling the urns again this year.

The assistant librarian, Mrs. Gertrude Semple, attended the Public Library Techniques course offered last spring at the University of New Hampshire. The librarian and assistant librarian attended the Book Buying Meetings which were held in different libraries of the District.

Mrs. Semple has resigned, effective January 1st, 1969 to take a full time position and Mrs. Robert L. Merrick has been appointed to take over the duties of assistant librarian.

Our library has reached that point where there is a need for expansion and much thoughtful consideration has been given to the best way to expand. As the building has a full dry cellar, a great deal of thought on the part of those concerned has centered on the possibility of having a children's room in the basement.

There are a number of advantages in having a children's room separated from the adult section which is not possible at the present. Such a room can be decorated attractively, with displays to arouse the interest of the younger group. This gives them a sense of belonging when their surroundings are keyed to their level. It also makes it easier to carry on their programs without disrupting the rest of the library.

There has been no major expansion in the library, other than a book case added here and there, in the 71 years since it was built. With a 65% population increase since the 1960 census, the present quarters are bad-

ly crowded and expansion has reached the point of necessity if the library is going to continue to serve the townspeople, in the way that they should expect.

The trustees are placing an article in the warrant this year in the hope of making this a reality.

Several books have been presented and we are grateful to the following: Mrs. Benjamin Belonga, Mrs. Lawrence Cheney, Mrs. Halton Erne, Mrs. Frank Foster, Kingston Garden Club, Mrs. George Jones, Mrs. Ira Meeks, Mrs. Charles Morse, Howard Oliver, James Oliver, Mrs. Richard Smith, Mrs. Warren Smith, Mrs. Warren Squibb and Mrs. Horace Wilson.

TOWN OF KINGSTON PLANNING BOARD

February 1969

ANNUAL REPORT

Joseph Bassett, Chairman
Herbert Federhen, Secretary
Bertin Prenaveau
Leonard Sanborn
Harry Snow, Selectman

The Planning Board has discussed several proposed sub-division plans, approved some and disapproved others according to existing town ordinances. We have tried to get quick answers to the problems presented to us.

Our particular concerns for this year are two: 1. A new ordinance for the disposal of residential sewage. 2. A Building Code. This has been discussed with many local builders and contractors and, where possible, includes their suggestions. The first public hearing is scheduled for Febr-

uary 14th. It is hoped that the Building Code can be incorporated in the warrants for the March Town Meeting.

We believe that these two ordinances will be for the general benefit and protection of Kingston people.

Herbert M. Federhen, Secretary

ANNUAL REPORT OF THE KINGSTON FIRE DEPT.

The Fire Department responded to a total of 131 calls. Twenty eight were fire calls and 103 were ambulance and rescue wagon calls. Four were to render assistance to other fire departments. One was for two lost children. One was a false alarm.

This past year has been a very busy one for the members of your volunteer fire department. We have moved into our new housing facilities. This extra room is very much appreciated. Our new hose drying facilities have proved to be exceptionally effective.

During Feb. 1968 former Chief Al Moore and myself journeyed to Elmira, N.Y. to accept delivery of our new Class A. attack pumper. This piece of apparatus has proved itself to be very effective in combating fires.

During 1968, we had an oil truck donated to the department. This vehicle has been restored mechanically and painted. This vehicle brings our water on wheels to 6000 gallons. It is housed in our South Kingston Firehouse.

During 1968, approximately 20 of our firemen attended training classes at the Lakes Regional and Meadowood Fire Training Schools.

We have received approval and insurance rate reductions for the South Kingston Facility.

The Kingston Fire Department was honored and recognized in a feature article in an International Fire Service Magazine "Firemen." A copy of this article may be seen at the Nicols Memorial Library.

Your Fire Department is running a continuous training program in fire attack procedures, truck driving and pump operations. During 1969 we are looking forward to a very advanced rescue and first aid course.

Our various fund raising committees were very busy during the year. We have established a new capital reserve fund earmarked for a new rescue vehicle to replace our present ambulance. We also have other funds to be used on the buildings and to purchase other fire tools.

Our Restoration Committee is having our first motorized truck completely restored to original condition in anticipation of our 275th celebration. Our hand drawn antiques will also be put into condition.

During 1968 we organized a muster team within our Department.

They took top honors in every muster and contest that they entered. This incidentally, is a good method to train men in efficient pumper operations and hose handling methods.

We wish to thank all persons for donations of money and equipment. This money is placed in capital reserve funds for the purchase of rescue and fire fighting equipment.

To reach the Fire Department for fires and emergencies, the Red Network phone number is 642-5512. Please use this number for emergencies only. For information or to reach the fire stations, Dial 642-3626.

REPORT OF 275TH ANNIVERSARY CELEBRATION COMMITTEE

The Selectmen appointed a five member 275th Anniversary Celebration Committee complying with Warrant Article 13 passed last March at Town Meeting. This committee consists of William Bartlett, Jr., General Chairman, Mrs. Edward B. Clark, Mrs. Andrew Christie, Mr. Arthur H. Reynolds and Mr. J. Edward Stevens as members.

The Committee has been meeting regularly since last spring and feels that Kingston is well on its way to a fine celebration.

The Anniversary will be celebrated the week of August 4th through August 10th, 1969.

One of the first Committee decisions was to obtain a commemorative medal for the 275th Anniversary. The medal was designed by Mr. Roland Hogan of Kingston and struck by V. H. Blackinton & Co., Inc. The medals were delivered early in December for distribution and sale. This medal has received very favorable comment nationwide from coin collectors and historians and the committee is very pleased with the medal.

A committee headed by Miss Marion L. Clark and Mr. Reynolds was appointed to review Kingston's past and pursue the possibility of publishing a history of the Town. This committee is very active and has uncovered much history not previously recorded. They welcome any information about the history of the area.

Mrs. Alfred Moore and Mrs. Lawrence Smith, Sr. are co-chairmen of the Kingston Pageant and have been preparing a movie to be shown during the celebration week. All actors and actresses are residents so plan to see yourself and your friends in the movie.

Mr. Benedetto Romano is chairman of the Big Dance on August 9th. Ben is negotiating with a 'name band' for us to dance to on the Plains.

Plans are underway for Senior Citizen's Day - Mrs. Alfred Sims, Chairman; Children's Day - Mrs. David Gould, Chairman; Teen-Age Dance, Mr. Douglas Canning, Chairman. Also scheduled are a Band Concert and an old fashioned Bean Supper which will be put on by committees from the local churches.

Fun for all in the Beard Growing Contest with Charlie-the-Barber

(Charles Belmonte) and Frederick Bourgelais, Chairmen. Watch out for "de Judge and his Kops."

Those who remember the 250th Anniversary recall with pleasure the grand parade. We are fortunate to have Mrs. Donald Champion as Chairman of our Parade. Mrs. Champion and her committee hope to have the best parade ever witnessed in New Hampshire. After meeting with this committee I firmly believe this will be true.

There are many other committees in action and more to be appointed, most of these committees need more help.

On Sunday, the 10th joint religious services will conclude the celebration.

The Town of Kingston is one of the oldest towns in New Hampshire and to celebrate its heritage every 25 years seems only fitting. The Anniversary Celebration is being planned so that all of Kingston, from ages 1 - 99, may participate. We hope many former residents and friends will join us.
